

DIVYANSH SINGH

Full Stack Developer

📍 Nalasopara East, Maharashtra | 📞 7709280916 | ✉ divyanshthakur2251@gmail.com
🌐 www.linkedin.com | 📁 github.com

PROFILE

Enthusiastic and detail-driven BCA student specializing in full stack web development. Experienced in designing and developing responsive, dynamic, and secure web applications using React.js, Node.js, PHP, and MySQL. Strong problem-solving abilities with a passion for learning emerging technologies. Seeking an entry-level developer role to contribute to innovative projects and grow as a professional in the tech industry.

CORE COMPETENCIES

- **Frontend:** HTML, CSS, JavaScript, React.js, TypeScript
 - **Backend:** Node.js, Express.js, PHP
 - **Database:** MySQL, MongoDB
 - **Tools & Frameworks:** Git, GitHub, Vite, JWT, REST APIs, WebSockets
 - **Professional Skills:** Analytical thinking, Time management, Team collaboration, Adaptability
-

PROJECT PORTFOLIO

Alumni Connect – Alumni Networking Platform

A full stack platform connecting students with verified alumni for mentorship and career guidance. Features include secure authentication, profile management, search filters, and admin moderation.
Tech Stack: React.js, Node.js, Express.js, MongoDB, JWT, REST API

Smart Attendance Management System

Developed a secure attendance system using one-time session codes for verification. Integrated role-based dashboards for Admin, Teacher, and Student with real-time tracking and authentication.
Tech Stack: React.js, Node.js, Express.js, MongoDB/MySQL, JWT

Real-Time Collaborative Code Editor

Built a collaborative coding environment with Monaco Editor integration, enabling multiple users to code simultaneously with live presence tracking and chat functionality.
Tech Stack: React + TypeScript, Vite, Node.js, Express.js, MongoDB, WebSockets

Workflow Automation System (No-Code Platform)

Created a workflow automation tool inspired by n8n, allowing users to design automation pipelines using a visual node-based interface.

Tech Stack: React.js, Node.js, Express.js, MongoDB, REST APIs

EDUCATION

Bachelor of Computer Applications (BCA)

R.K. Desai Group of Colleges, Veer Narmad South Gujarat University (VNSGU), Vapi

6th Semester – Expected Graduation: May 2026

INTERNSHIP EXPERIENCE

Techfellow – Web Development Intern (3 Months)

Worked on full stack web development projects focusing on building responsive and scalable web applications. Collaborated with senior developers to design RESTful APIs, optimize database queries, and enhance UI/UX performance. Gained hands-on experience with React.js, Node.js, and MongoDB in real-world development environments.

IBM – Web Development Intern (1 Month)

Worked on real-world projects involving cloud-based technologies and full stack development. Gained exposure to enterprise-level software practices and agile methodologies.

CERTIFICATIONS

- Deloitte Data Analysis Certificate
 - IBM Internship Certificate
 - Udemy Certificate in Web Development
 - Udemy Certificate in IBM Technologies
-

ACHIEVEMENTS

- Successfully completed 3-month web development internship at Techfellow
 - Earned Deloitte Data Analysis Certificate for analytical and data interpretation skills
 - Developed and deployed multiple full stack applications integrating modern frameworks
 - Recognized for strong debugging and problem-solving skills during academic projects
-

INTERESTS

- Exploring new web technologies
- UI/UX design and front-end innovation
- Logical reasoning and coding challenges
- Open-source contributions
